Absentee Doctors in AIIMS

†*7. SHRI RAMA SHANKER KAUSHIK: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) since when senior doctors of various important departments of AIIMS have been absent;

(b) the number of such absentees alongwith the names of their respective departments and whether it is a fact that all facilities including job, accommodation, telephone to such absentee doctors have not only been continuing but they have been given promotions also;

(c) the reasons for not taking any action against the said doctors; and

(d) the payments made by Government, so far, to the said doctors and the action Government would take to terminate their services and to recover the said payments from them?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI SHATRUGHAN SINHA): (a) to (d) As per guidelines of the Institute, a faculty member can be permitted to accept assignment for a period ordinarily not exceeding two years at a time and not exceeding a total period of five years in the first 25 years as a member of faculty. The entitlement shall accrue one year per 5 years of service. Salaries are not paid to the faculty members of the Institute who proceed on assignment as the period of absence is treated as Extra Ordinary Leave Without Pay. The faculty members are allowed to retain their residential accommodation allotted to them for a period of their assignment provided that the period does not exceed two years and the residence is utilized for *bona fide* use of the family members. In the first one year, normal rent is charged and market rent is charged beyond one year. After 2 years all such faculty members are asked to vacate the house. Internal telephones (PABX extension) are not withdrawn from the residence of such faculty members.

Out of 436 faculty members at the A.I.I.M.S., New Delhi, 30 faculty members had been permitted to avail of assignment in India/abroad. Out of these 30 faculty members, 11 have over stayed in their assignment period beyond the eligibility period. Disciplinary proceedings have been initiated against them. Notices have also been served to them for eviction of the official accommodation. The details of the 11 faculty members against whom disciplinary action under CCS (CCA) Rules, 1965 has been initiated are in the enclosed Statement.

†Original notice of the question was received in Hindi.

Faculty members who are permitted to avail of assignment in India/abroad are considered for promotion and called for interview at the Institute. However, unauthorized extension period of assignment of faculty members is not taken into account for promotion to higher grade. The promotion benefit is given on joining the post at the Institute on return from assignment.
